*TOGETHER - We Can Make A Difference*

## *Helping Build a Healthier Community*

St. Joseph's Foundation of Elliot Lake is a registered charity established by the Sisters of St. Joseph's of Sault Ste. Marie. The Foundation continues the charitable works of the Sisters in our community.

The Foundation's fundraising activities will assist in providing financial support to St. Joseph's General Hospital, St. Joseph's Manor and the Oaks Centre.

Today's health care costs continue to increase due to the demands of an ever-changing health care system. Our goal is to improve the quality of life for you and your family.

We ask for your support. Each and every gift is greatly appreciated.

### *HELP US - HELP YOU*

Your donations will support:

- New medical equipment
- New facility furnishings for patient care and comfort
- Improved health care services that will attract Family Physicians and Specialists

## *TOGETHER - For a Healthier Tomorrow*

St. Joseph's General Hospital provides excellent medical treatment for acute care patients. St. Joseph's Manor, our long term care facility, provides quality care in a homelike setting for its residents. The Oaks Centre is the residential substance abuse centre that offers treatment and support for its clients.

Residents, seasonal residents, and visitors alike, enjoy the natural beauty and healthy lifestyle that Elliot Lake offers. We have a tremendous sense of community – especially when it comes to health care. When in need, we appreciate the convenient availability of health care services in our community.

Our goal is to ensure the best possible health care will be available when you need it most.

We are proud to say your gift will be put to work right here in Elliot Lake.
