

NURSE PRACTITIONER

If you have been searching for the ideal community to put down new roots, you need look no further. *Imagine* the amenities of city life without the big city problems. Picture this....*Imagine* being able to walk on a clean beach on a hot summer day in July to go for a dip. *Imagine* being able to just drive down the street on a bright crisp winter morning for a day of skiing. *Imagine* living in a four-season paradise and having access to many outdoor amenities instead of being confined to an endless urban environment. It's all here for you to enjoy!

St. Joseph's General Hospital Elliot Lake has an opening for a full-time Nurse Practitioner, RN (EC). As a member of the health care team, the Nurse Practitioner will provide primary care services with a strong emphasis on health promotion and disease prevention to the community's geriatric population. The position offers the opportunity to function independently and in collaboration with members of a multidisciplinary team. The position focuses on our geriatric population, both in the community and in our new, long term care facility.

Mandatory Qualifications include:

- Certification as a Registered Nurse in the Extended Class category, RN (EC) with the College of Nurses of Ontario
- Excellent interpersonal skills with the proven ability to work in a team environment
- Experience in community outreach programs and gerontology
- Ability to speak French is an asset.
